

CURTIS PARENTS ORGANIZATION DIRECT APPEAL

Dear Curtis Parents,

Welcome to the 2017-18 school year at Curtis! We are reaching out to all Curtis parents to ask for your support with a financial donation to the Curtis Parent Organization (CPO). *We had great participation last year from so many Curtis families and thank you for the wonderful support!*

The CPO helps support Curtis' cultural, creative and educational programming with the funds raised through our annual direct appeal. The CPO supports a variety of programs and initiatives including cultural enrichment, the 1:1 computing program, the Messenger, student scholarships, student social events, technology, end of year activities, classroom curriculum aids for teachers, UA supplies, recess equipment, uniforms for school sports teams, library furniture, the student counseling department, the tile project in the school hallways, outdoor beautification projects and much more. These are all important additions to the Curtis community and they truly improve the students' experience at Curtis Middle School. *This is all possible because of the generosity of the Curtis parent community.*

Please support the CPO with a tax-deductible donation. Your money goes directly to work for the students and the school, improving your child's learning experience. We urge you to send in your tax-deductible contribution today, either online at https://curtisupo.3dcartstores.com/Direct-Appeal_c_12.html or by sending it in with the following form to the front office. We encourage a \$75 donation, but welcome any amount. Please check if your company offers a match to your donation. *Please note that donation acknowledgement letters will be provided by request only. If you require a letter for tax purposes, please email a request to cpotreasurer@gmail.com.*

We thank you in advance and wish you and your families a healthy and productive year.
